

Adopt-a-Horse DONATION FORM

“Horses Are the Heart” Of InStride

At the core of our therapeutic riding program you'll find our therapy horses - very special animals chosen for their movement, size and temperament. Once acquired, each program horse is trained and acclimated to its new environment. When fully comfortable with the surroundings – at ease with the sounds of wheelchairs and children and with the mounts and dismounts done from a special ramp – they are ready to assume the role of therapist. Not the easiest of jobs, but it has its rewards. Gentle pats and big hugs! Carrots and apples riders bring from home!

But, of course, it takes more than love and snacks to keep horses healthy and happy. It takes money. Averaging half a ton apiece, these active, working horses are good eaters, and we feed them well! They require farrier services and veterinary care, blankets and bedding. Which is where YOU come in. Our “Adopt-a-Horse” program needs your sponsorship!

For \$3,000 you can be a sole sponsor - \$1,500 for a ½ sponsor – or \$750 for a ¼ sponsorship for an entire year. You can choose a particular horse if available or donate to their general care fund. We hope you'll visit to see your special horse and view the work you make possible.

Your generosity will be making a difference every day for our riders!
